IMPORTANT NOTICE.
 British Letters Patent Nos.
 278787, 281572, 284125, 281582, 285537
LIMITED LICENSE.
 The 'Mazda' Valve contained in this box
 is manufactured in Great Britain under
 one or more of the above British Patents
 for The British Thomson-Houston Co. Ltd.
 the owners thereof, who grant to the
 Purchaser and to any person into whose
 hands the said valve may come a Limited
 License to use or sell the same, on the
 express conditions that it shall not be
 re-sold or offered for sale retail to the
 public at a price less than the retail price
 as set forth in the current price list of The
 Edison Swan Electric Co., Ltd. sole
 distributors for The British Thomson-
 Houston Co. Ltd. or less than the price
 marked on this box (whichever is the
 smaller) or re-sold or offered for sale to
 any individual firm or Company at a
 discount greater than that authorized by
 the British Radio Valve Manufacturers
 Association and that no allowance, bonus
 or gift or other consideration shall be given
 to a purchaser of this valve in connection
 with its sale.
 This valve is sold subject to the above
 conditions and any breach thereof will
 render the seller liable to an action for
 infringement of the above-mentioned
 British Letters Patent or other legal
 proceedings.
 No agent or dealer is authorized to vary
 this License or to waive any of its
 conditions.
 MAZDA RADIO VALVES are manu-
 factured in Great Britain for The British
 Thomson-Houston Co. Ltd. London and
 Rugby.
